21V: AI, Technology, and the Gospel
Reflection Survey Follow Up

Complete the personal reflection survey.

Possible survey discussion questions:

- This survey uses the word "technology." When you were filling it out, what were you thinking your "technology" was?
- Is there anything that pleased you about your answers?
- Is there anything that disturbed you about your answers?
- Was there any particular question you want to discuss?
- Was there a question that should have been asked?
- Do you think these questions might help you navigate your use of technology in the future? Why? Why not? How?
- Is there anything that we, as a group, would like to do in response to this survey?
    - Adopt use of (or more frequent of) any particular technology?
    - Decide as a group to limit (or eliminate) a technology from certain spaces?
        - What about, for example, cell phones at lunch?
