God's Heart for Justice (as revealed in Scripture)

There is a lot of injustice happening in this world.

There are **45,000,000 enslaved people** in the world today. There is **racial injustice** that is happening. Some people that are rich and powerful **exploit the poor**.

Where is God in all this? Our guest will be Manuel Ramminger

Maybe we feel similarly to Habakkuk and declare

*"How long, Lord, must I call for help,
but you do not listen?*

*Or cry out to you, "Violence!"
but you do not save?*

Why do you make me look at injustice?

Why do you tolerate wrongdoing?

*Destruction and violence are before me;
there is strife, and conflict abounds.*

*Therefore the law is paralyzed,
and justice never prevails.*

*The wicked hem in the righteous,
so that justice is perverted."*

At the meeting we will look at these questions:

- What is God doing about injustice in the world?
- Why is evil happening if God is a God of love?
