

The Heart Behind it

"The Lord looks at the heart"
(1 Samuel 16:7).

Clothing fit and fashion are personal and subjective. Parents and students are to use discernment and care in choosing clothing.

We affirm that our worth and identity come from Christ. This dress code is designed to guide choices toward wise, age-appropriate clothing for a school setting.

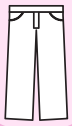

Partner with Parents

Christ-Centered

- Clothing must fully cover private areas, midriff, chest, and undergarments at all times (sitting, standing, reaching, or play).
- Elementary students are required to have appropriate gear for weather conditions.

The dress code is not intended to measure spirituality, but to foster a student's wise discernment for respect. We refrain from shame or legalism in our discernment.

Shorts, Jeans, & Leggings

- Tank tops straps must have 2" width.
- No strapless, spaghetti-strap, open-sided, open-backed or off-the-shoulder tops.
- Hats are allowed on designated spirit days.
- Hoods must be worn down at all times.

Full Coverage

- Shorts and skirts must be mid-thigh with a minimum of 4" inseam. Shorts must be visible.
- Rips in jeans or shorts must be below 4" inseam.
- Leggings must be paired with a mid-thigh length shirt. Pajamas pants are allowed on designated spirit days.

Imagery and logos

- See-through or sheer clothing must be layered with a non-transparent base layer.
- Fit and modesty are best guided by thoughtful parent and student discernment.

Tops, Hats and Hoods

- No inappropriate or distracting language or imagery.
- No profanity, references to drugs/alcohol, or depictions of violence/weapons.

Pre-School- 5th Grade

If a student is non-compliant, administration will notify parents/guardians. Communication will detail the guideline that has not been followed.

For repeated non-compliance, students will serve a detention and parents will be notified.

Recognizing the developmental differences among younger students, there is flexibility in the enforcement of dress code guidelines.
